

# 1.4d10\_5d11

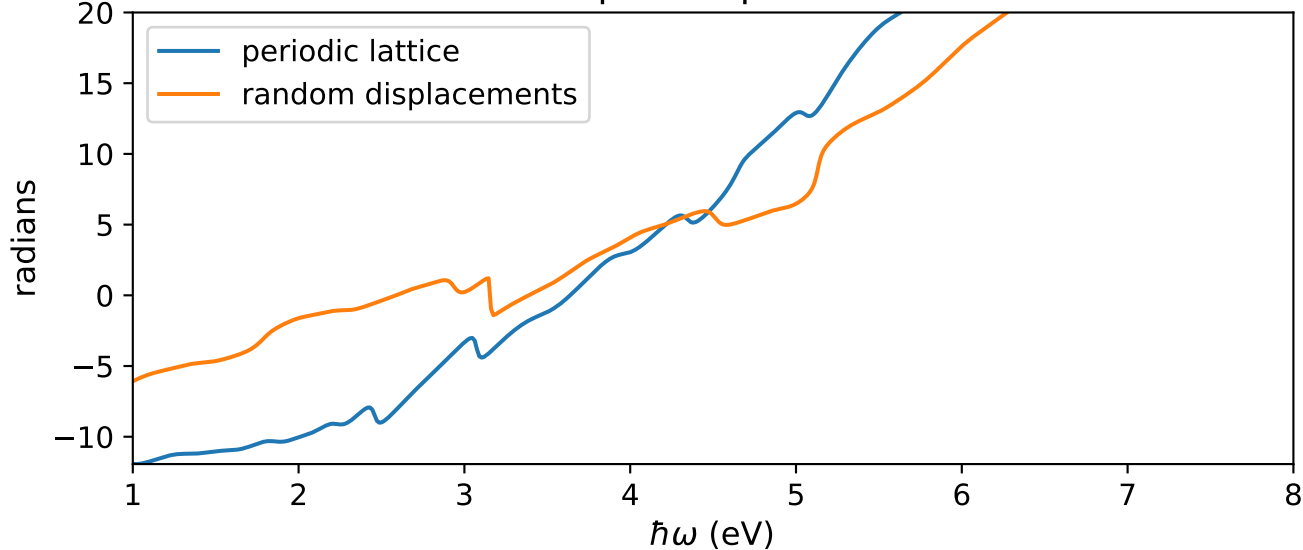

Electric current after subtracting wave packet motion

Normalized spectral intensity

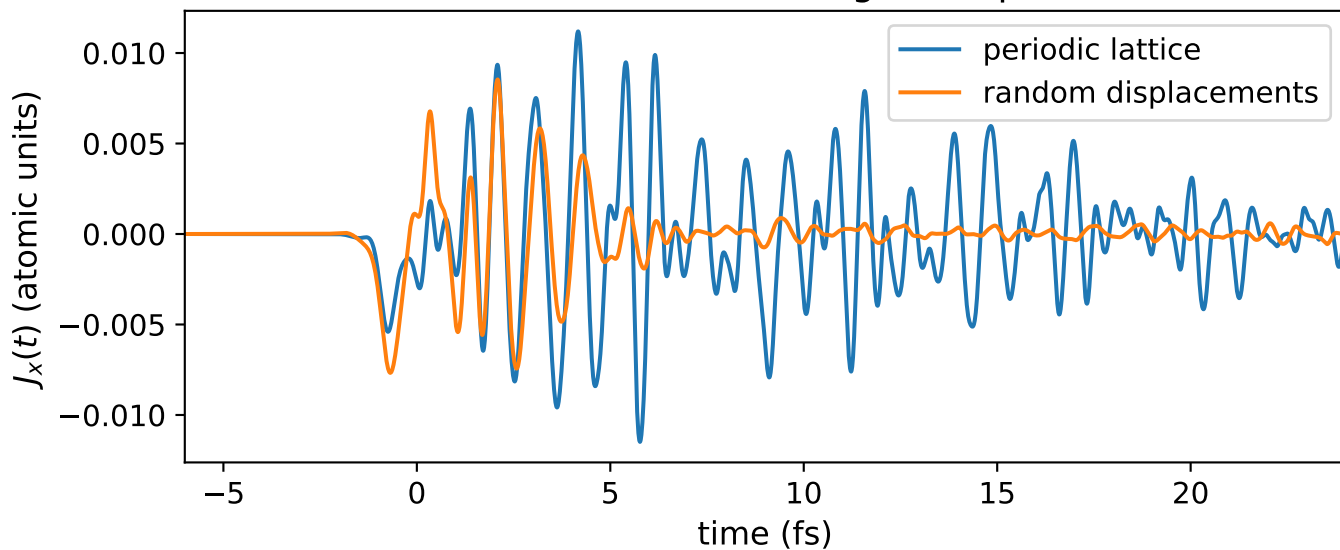

Spectral phase

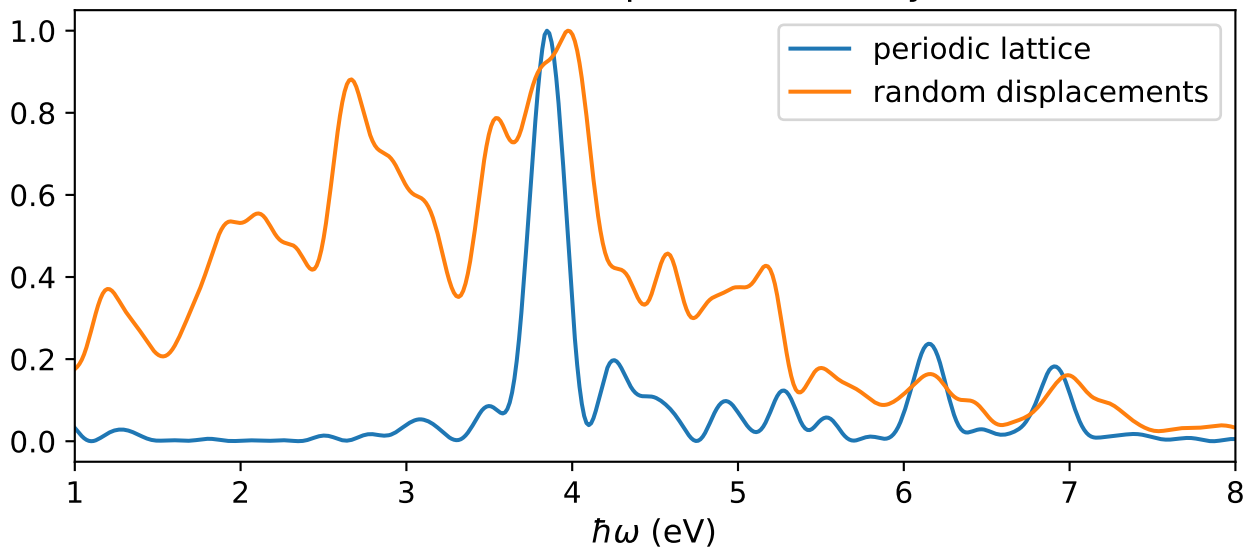

# 1.4d10\_8d12

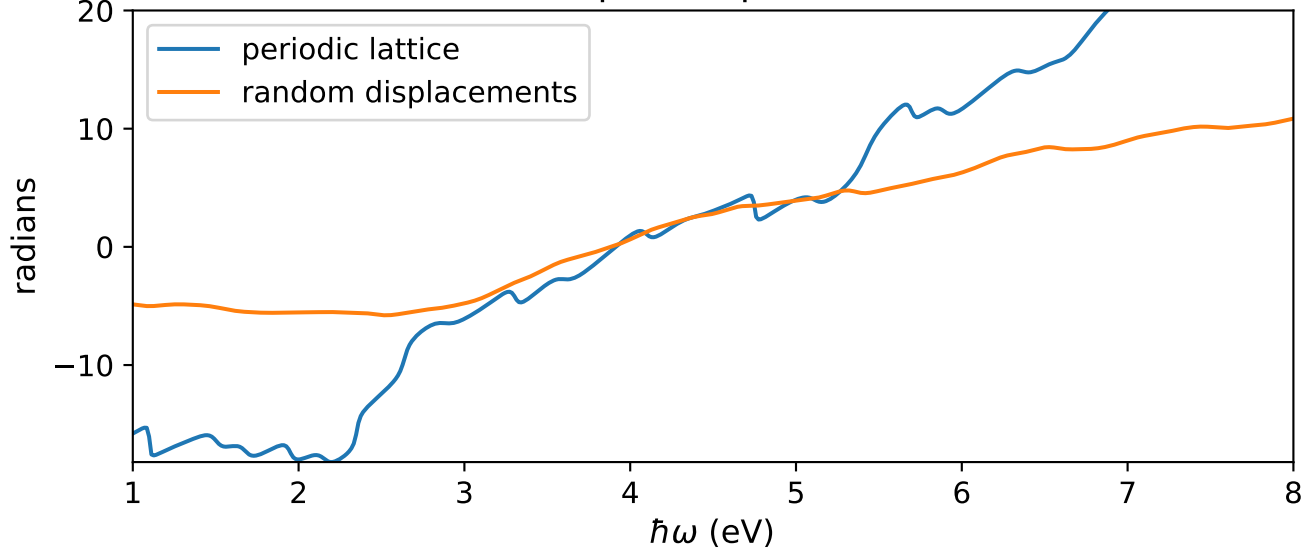

Electric current after subtracting wave packet motion

Normalized spectral intensity

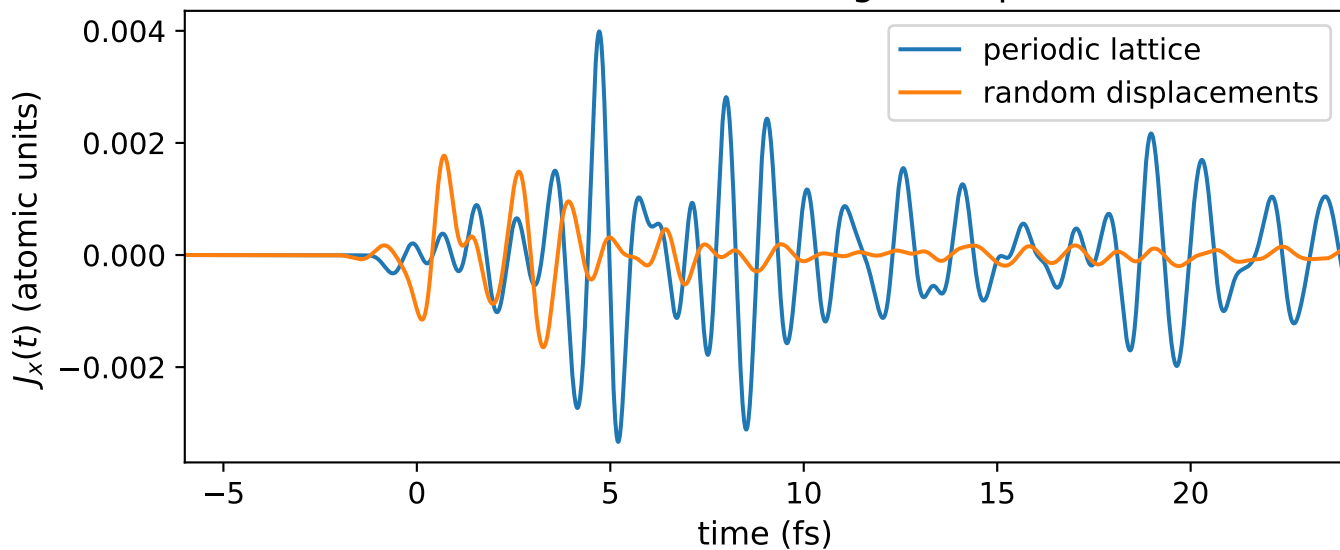

Spectral phase

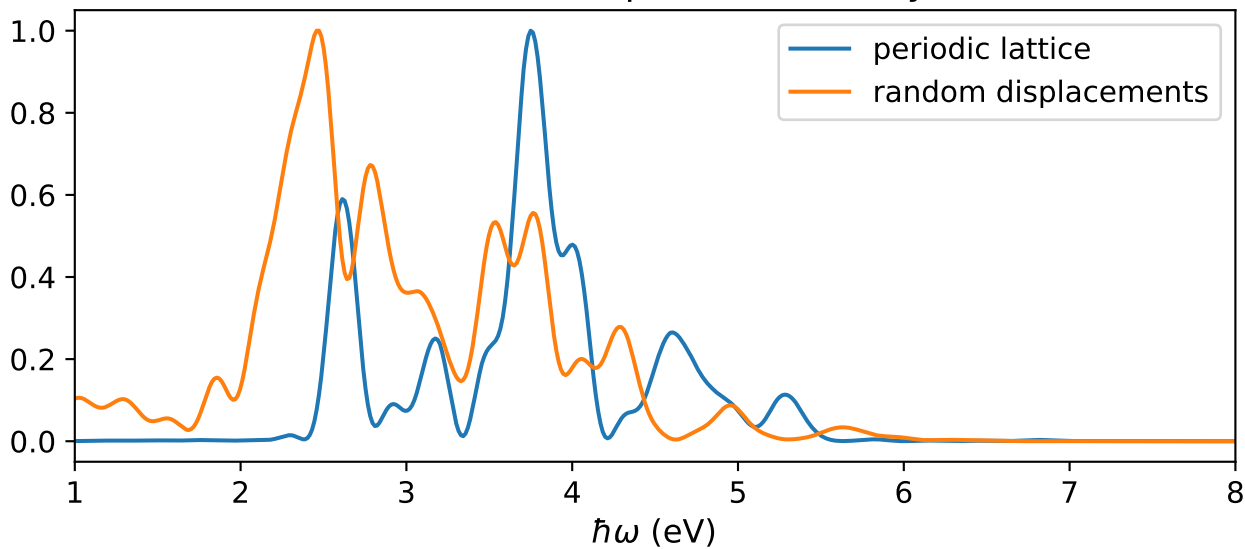

# 3.5d9\_5d11

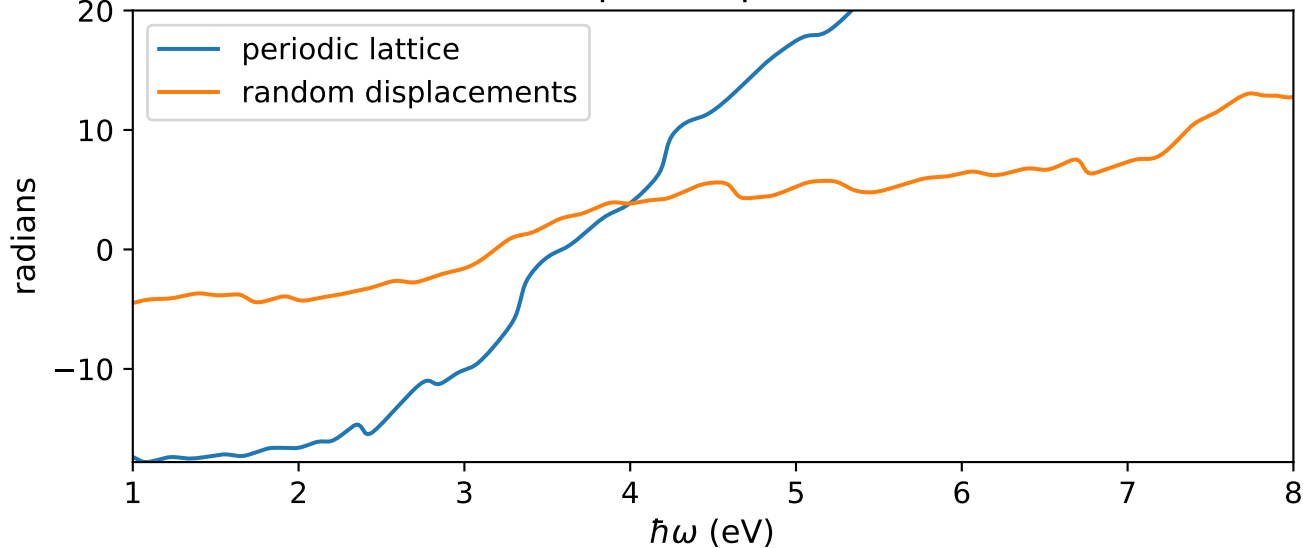

Electric current after subtracting wave packet motion

Normalized spectral intensity

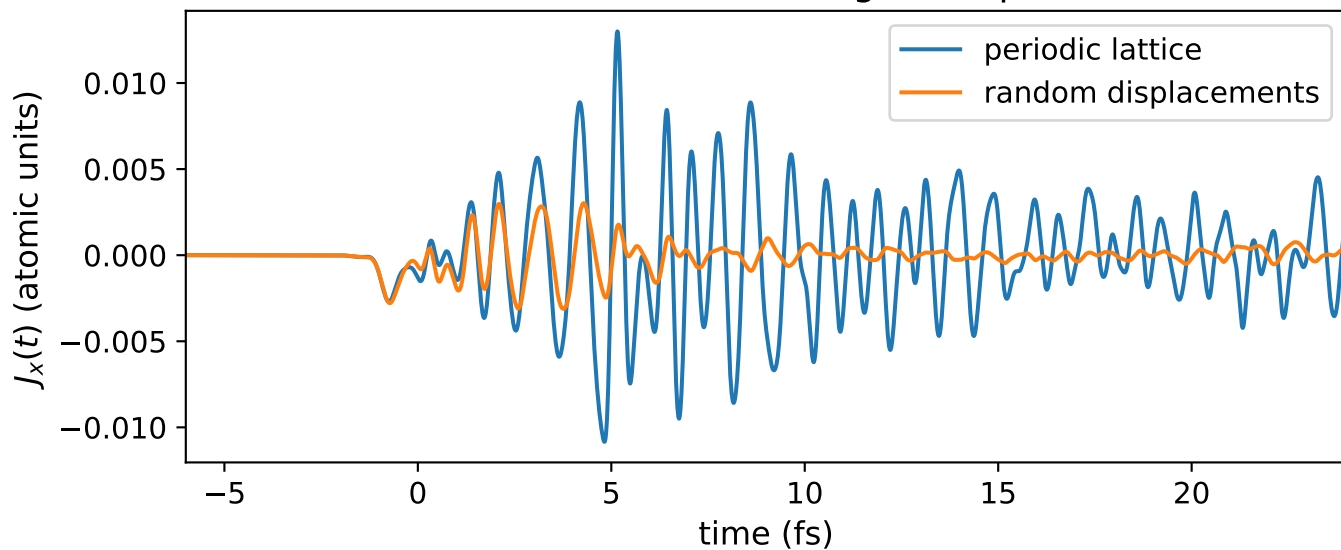

Spectral phase

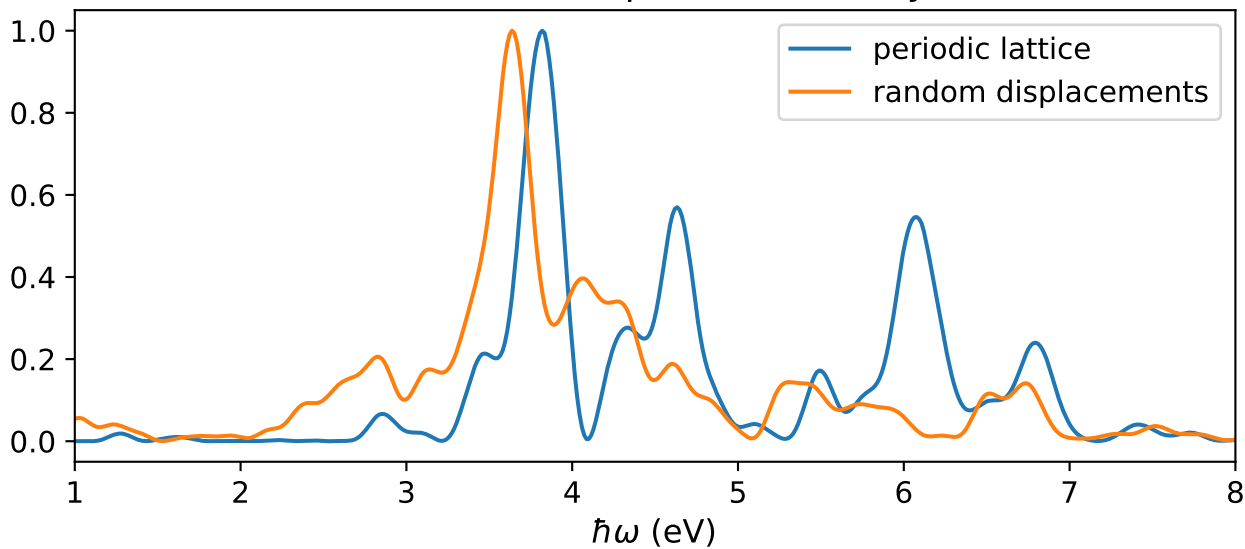

# 3.5d9\_8d12

Electric current after subtracting wave packet motion
