

1.4d10_5d11

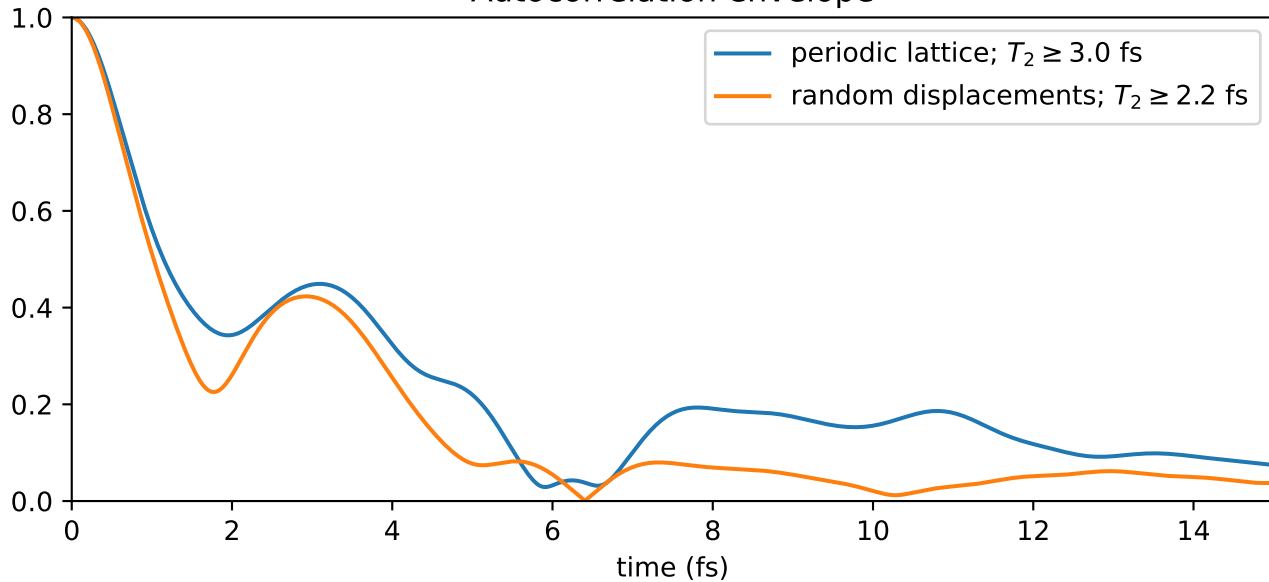

Electric current after subtracting wave packet motion

Normalized spectral intensity

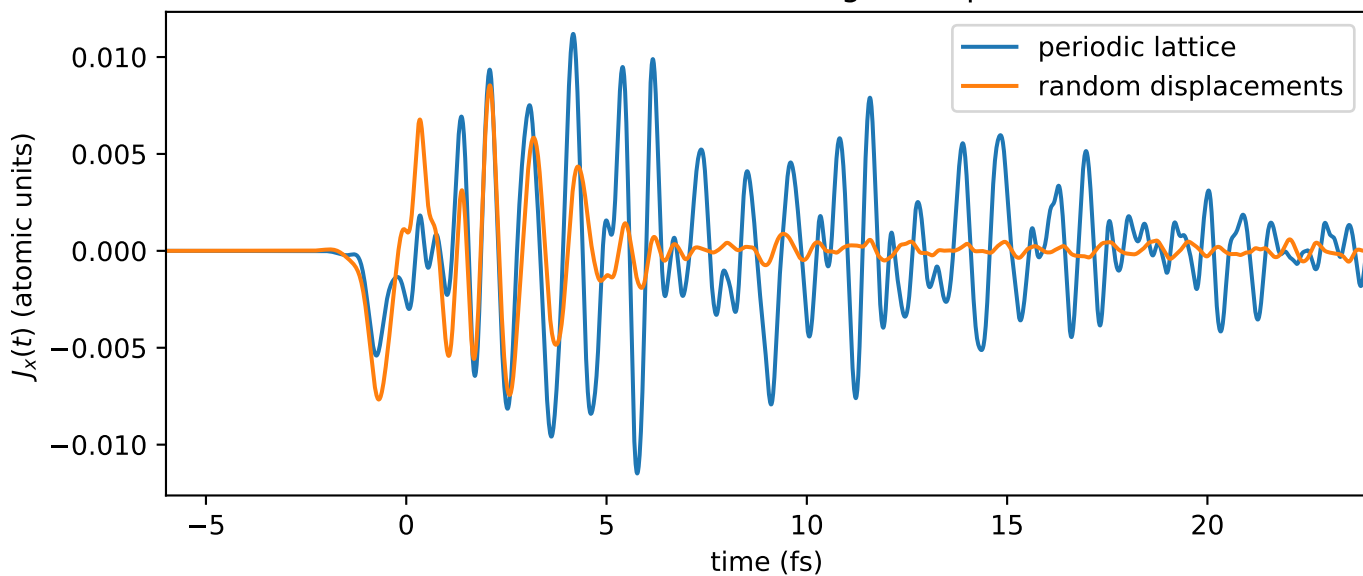

Autocorrelation envelope

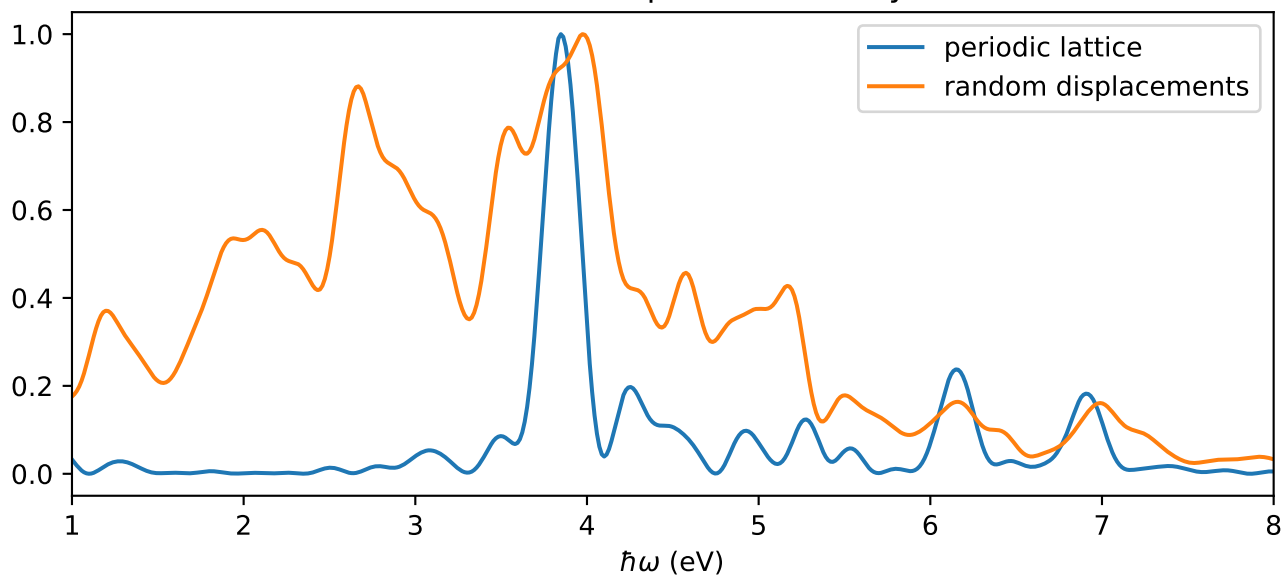

1.4d10_8d12

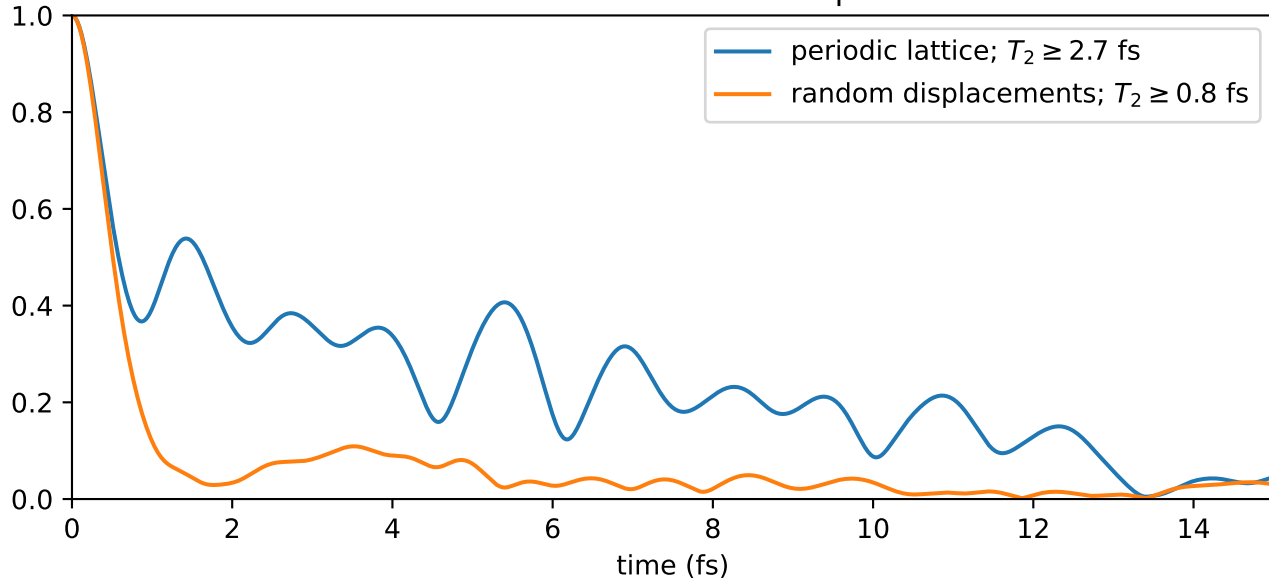

Electric current after subtracting wave packet motion

Normalized spectral intensity

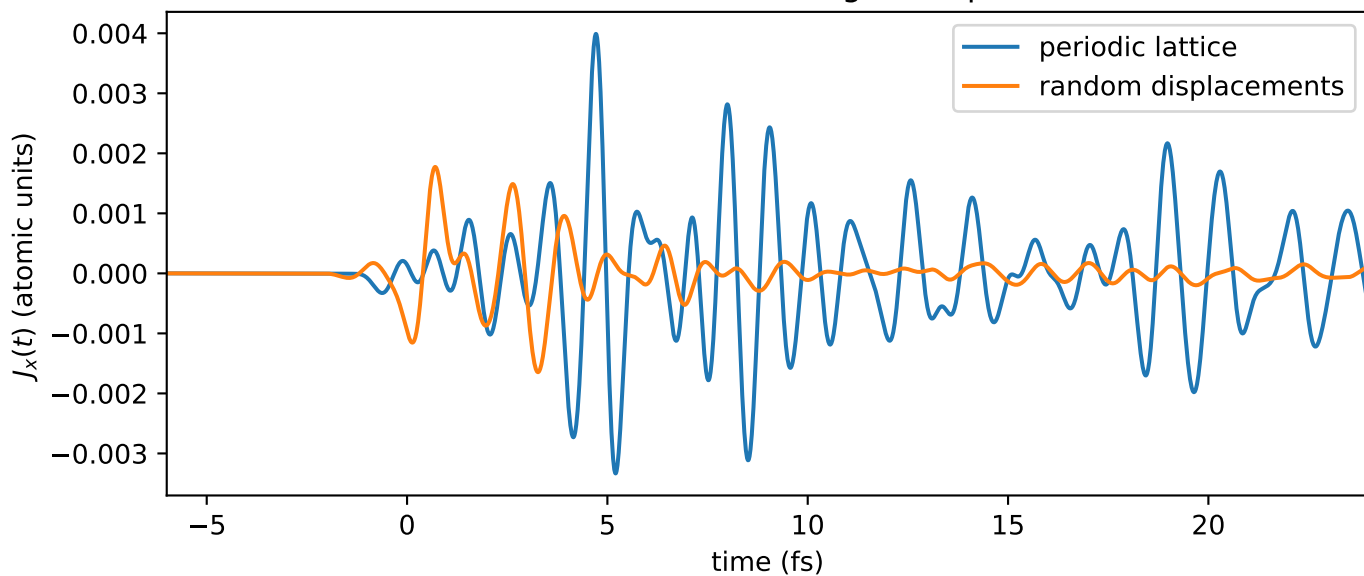

Autocorrelation envelope

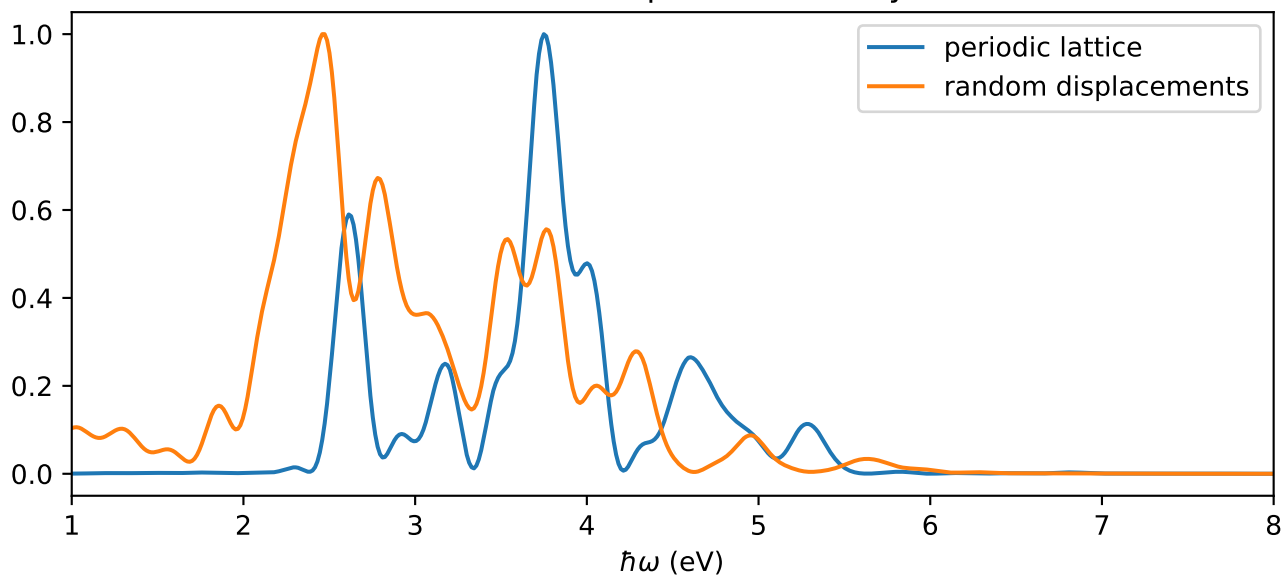

3.5d9_5d11

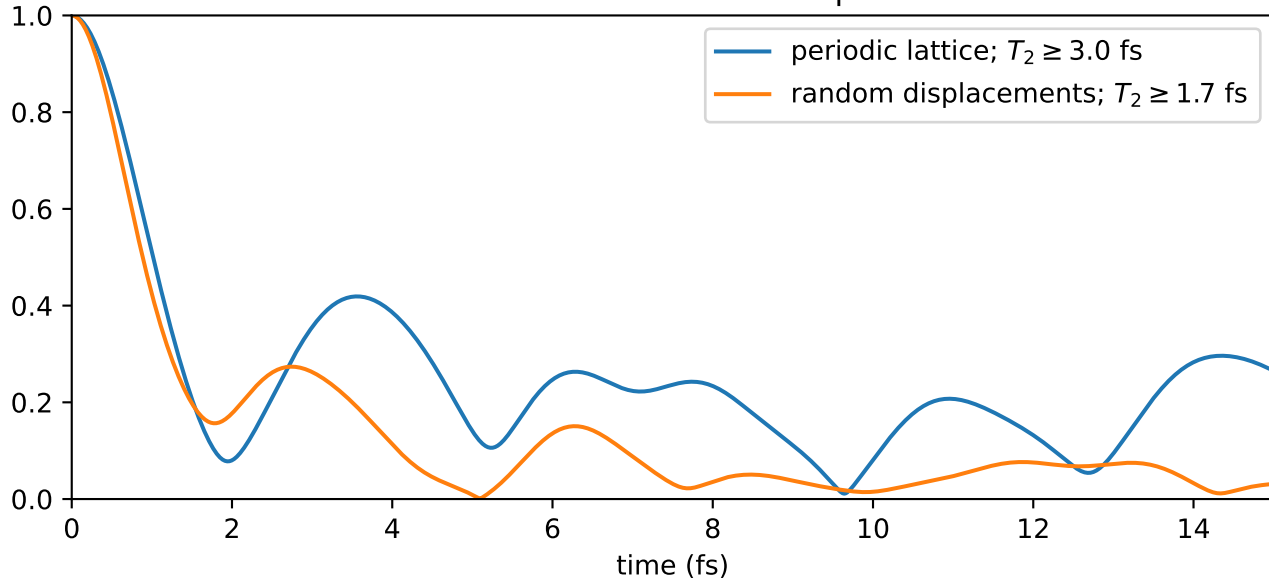

Electric current after subtracting wave packet motion

Normalized spectral intensity

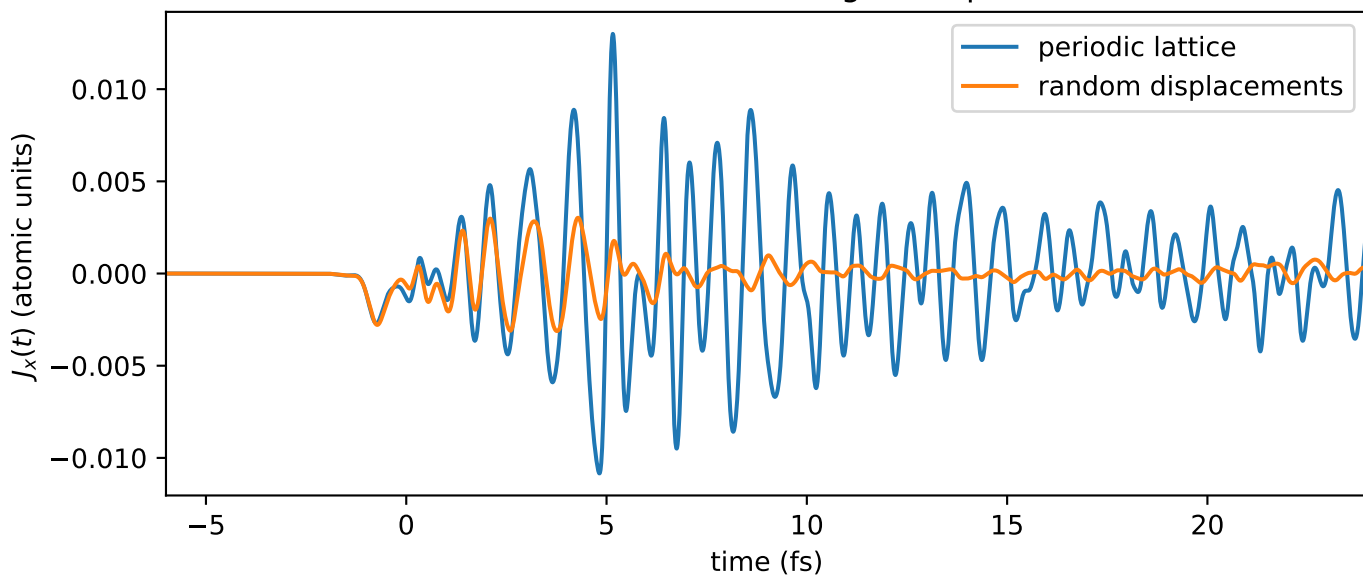

Autocorrelation envelope

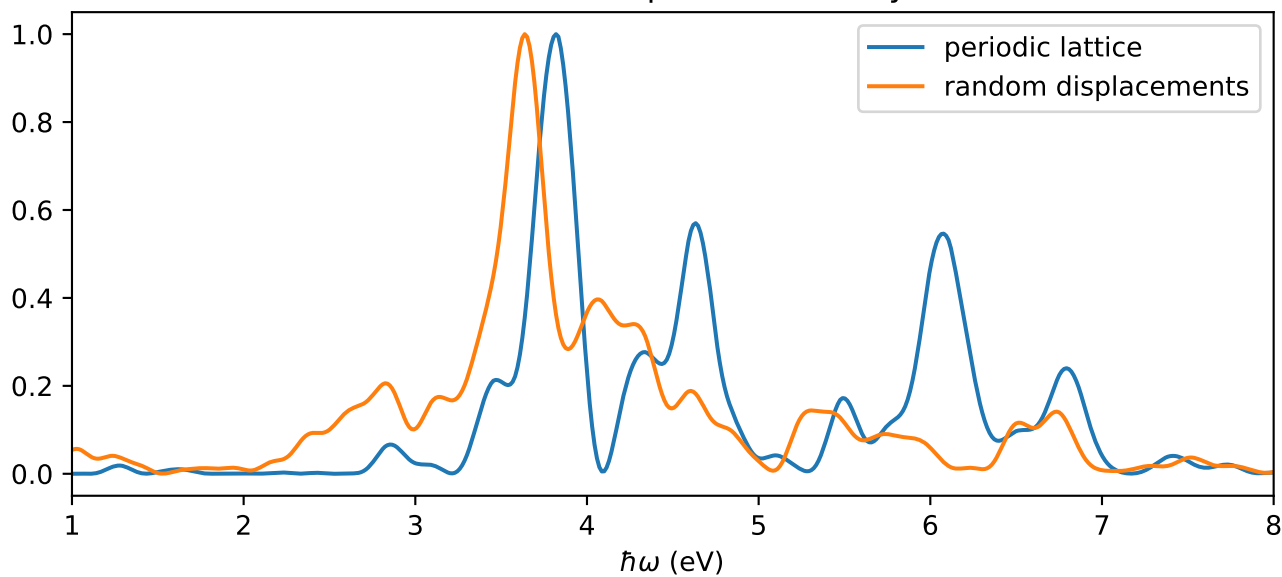

3.5d9_8d12

Electric current after subtracting wave packet motion

Normalized spectral intensity

Autocorrelation envelope
